## FREQUENTLY ASKED QUESTIONS

1. **Do all FT & PT UKSC employees need to participate in Open Enrollment?** **No**, your existing benefits will automatically carry over into the next plan year unless you choose to make any changes.
2. **Action Required** - If you are satisfied with your current benefits, no action is needed. If you want to make changes, you must do so by 11/03/2024.
3. **How to Make Changes:** Log into ADP and click on the Open Enrollment link on the home page, or go to **Myself—Benefits—Enrollments—Open Enrollment**.
4. **If I don't make "changes" during Open Enrollment can I make them later?** Only under special circumstances. As a result of IRS rules, UKSC can only make Open Enrollment benefits available during the 'open enrollment' period, unless you have a family status qualifying event. For example: new dependent (due to birth or adoption), marriage, divorce, spouse/dependent gains or loses other group coverage, dependent becomes ineligible, death of spouse or child. Changes must be submitted in ADP within 30 days of the event. Exception: Guardian supplemental coverage can only be changed at Open Enrollment.
5. **Do all FT UKSC employees need to complete surcharge certifications every year?** **No**, only if there is a change in your surcharge status. Surcharge attestations can be changed via the ADP enrollment site.

Please take the time to review your current benefits to ensure they still meet your needs.

ADP is available on a 24-7 basis so you can make your 2025 benefit elections at the time and location of your choosing. Additional documents and complete plan summaries can be found in ADP.

\*Surcharges only apply to those enrolled in health insurance (excludes dental, vision and supplemental coverage).

## SURCHARGE CERTIFICATIONS

An employee who submits inaccurate or false information on any surcharge certification may be subject to having the surcharge applied retroactively for the applicable plan year and possibly receive disciplinary action for dishonesty and falsification of documents. Surcharges only apply to the health insurance (excludes dental, vision, and supplemental coverage).

# HEALTH INSURANCE SURCHARGES

## No Increases!

### TOBACCO SURCHARGE

For 2025, employees will incur a \$90 surcharge per month via payroll on their healthcare premiums if they, their spouse, or their dependent child(ren) enrolled on UKSC's health plan uses a tobacco product. Tobacco is defined as cigarettes, pipes, cigars, e-cigarettes, vape pens/juuls (containing nicotine) chewing, and/or smokeless tobacco. (Note: only one surcharge per plan.)

Are there any options available that enable me to not incur the surcharge?

Each tobacco using member would need to enroll and successfully complete a tobacco cessation program and notify Human Resources upon successful program completion.

### SPOUSAL SURCHARGE

*What is the Spousal Premium Surcharge?*

For 2025, employees will incur a \$60 surcharge per month via payroll on their healthcare premiums if they elect coverage under UKSC's health plan for their spouse who is eligible for subsidized health care benefits of a (comparable plan) through their own employer.

What does UKSC consider to be a comparable plan?

UKSC considers a comparable plan, a plan that provides minimum essential coverage under a group health plan as outlined by ACA guidelines.

Why do we have this surcharge?

The cost of health insurance coverage for a spouse because they are adults is very high. UKSC must look at all possible ways to manage costs.

What if my spouse is not employed, or is not eligible for their own health insurance through their employer?

If your spouse is currently unemployed, self-employed, or is not eligible for their own employer health insurance then no surcharge will be applied.

## DENTAL INSURANCE

# OPEN ENROLLMENT IS A GOOD TIME TO THINK ABOUT YOUR FINANCIAL WELL-BEING.

UK St. Claire would like to remind you of the valuable opportunity to participate in our company's retirement plan.

## Why Participate?

- **Financial Security:** Investing in a retirement plan is one of the most effective ways to secure your financial future. It allows you to accumulate savings over time, ensuring you have a comfortable nest egg when you retire.
- **Tax Benefits:** Contributions to your retirement plan are often tax-deferred, meaning you won't pay taxes on the money you invest until you withdraw it. This can result in significant tax savings.
- **Long-Term Growth:** The power of compounding means that the sooner you start saving, the more time your money has to grow. Staying invested through market fluctuations can lead to substantial growth over the long term.

To enroll in the retirement plan or make changes to your contributions, please log into ADP and click on Resources-Forms Library-Retirement Benefits-Nationwide Enrollment Information or go to [www.nrsforu.com](http://www.nrsforu.com).

# EMPLOYEE ASSISTANCE PROGRAM

## Bringing Balance to Your Life

### Problems are a part of life.

We all experience times when we face challenges that may seem overwhelming. Usually we can handle these without outside help. But sometimes, it makes more sense to reach out for help. UKSC understands this and provides an employee assistance program (EAP) to offer support and guidance. Just as health insurance is designed to address your physical health, the EAP benefit is designed to assist in you emotional and mental well-being.

### We can help with many concerns.

Many issues are best resolved with counseling assistance from a behavioral health professional. Concerns that can be addressed through your Employee Assistance Program include:

- Relationship and Family Issues
- Depression, Stress, or Anxiety
- Grief or Loss of a Loved One
- Substance Abuse and Addiction
- Workplace Difficulties
- Smoking Cessation
- And other Life Concerns

As an employee, you and your family members are entitled to six visits with a mental health therapist at no cost to you. Many issues can be resolved in six sessions or less. However, if you require additional assistance, the guidelines for your insurance will be followed. Appointments with a psychiatrist are not included and you will be responsible for your specific health insurance plans co-pay.

### Participation in our EAP is completely confidential.

The fact that you are in treatment or the nature of your concerns will not be shared with anyone without your written permission (Of course, legal guidelines regarding reporting abuse or thoughts of harm to self/others are followed.). EAP services are one of the many benefits UKSC provides to all employees. The staff at UK St. Claire Counseling is available and willing to help you in gaining the tools you and/or your family need to cope with the events in your life. Take advantage of this service.

For more information on EAP services at UK St. Claire please call UK St. Claire Counseling at 606-783-6805 or Extension 6834.
